## **Olimpia Splendid “Aquaria Slim” 12L wall mountable or freestanding dehumidifier**

Slim, compact, quiet, and digitally controlled. Ideal for laundry rooms, and general domestic or office use.

Characterized by its smart, compact design this is the **SLIMMEST** wall mountable dehumidifier on the market and can also be used freestanding for maximum adaptability. It both **DEHUMIDIFIES** and **PURIFIES** the air and has a **maximum** capacity of 12L / 24h in warm humid conditions. (Note: Condense hose not included but available at your local DIY store)

### **PURE SYSTEM 3**

Triple filtration system which combines the filter with activated carbons (eliminates odours), combined with a HEPA filter and a photo catalytic filter (sterilizes air by eliminating a high percentage of viruses and bacteria).

### **COMPACT TECHNOLOGY**

The Slimmest wall mounted unit available only 17cm deep

### **DIGITAL CONTROL**

Electrical multifunction panel, for humidity level setting.
